March 2007 – Issue #13

Influencing Nations with Judeo-Christian Truth

A voice of one calling in the desert: "Prepare the way for the Lord; make straight in the wilderness a highway for our God. Every valley shall be raised up, every mountain and hill made low; the rough ground shall become level, the rugged places a plain. And the glory of the Lord will be revealed, and all mankind together will see it. For the mouth of the Lord has spoken." A voice says, "Cry out." (Isaiah 40:3-6)

Recent Highlights:

The Current Season: Prior to and during our ministry trip last August to Poland, Germany, Holland, and England, I informed our team that I recognized that we were entering a season resembling 1939. It was in that year that the manifestation of Hitler's systematic methodical murderous plot against the Jews and their sympathizers was revealed. In 1939 the boiling cauldron of anti-Semitic hatred for ~ seven years spilled over and the Holocaust of Europe was launched in earnest. Poland became one of the major garbage heaps for man's inhumanity. The Lord has been revealing information to me about Holocausts.

Please lift up prayers to the Almighty in opposition to President Mahmoud Ahmadinejad of Iran. The Iranian leader's anti-Semitic rhetoric is virulent and filled with hatred. But, these are not mere political words. I believe that he intends to take action against Israel and her allies, if at all possible. Last year well before President Ahmadinejad's name had become commonplace in the West, I was shown in a dream something significant about the Iranian leader when he spoke at the United Nations for the first time. Since then he has scoffed at Israel and denied the veracity of the WWII European Holocaust and even hosted a conference for his political allies and fellow skeptics of the Holocaust. I believe that this leader possesses dark spiritual power that was imparted within him during his first speech at the United Nations in New York City. He has already returned to the UN once again, and he is requesting a third visit to the UN at present. The USA and the UN should not permit this man an opportunity to speak on American soil. His words are not merely rhetoric. They are curses against Israel and the USA and have real impact upon the natural and supernatural realms. I urge your prayer and intercession against the regime of President Ahmadinejad. It is my belief that the situation with Iran represents a far more serious destabilizing threat than the Iraq war situation that has overshadowed it.

Coupled to the rise of anti-Semitism worldwide, many friends of Israel have been noting that this is the 40th year celebrating the military victory of the nation of Israel that established its current territorial borders. God often moves in cycles of time, and 40 years is a key Biblical time interval. The sinful and misguided efforts of Secretary of State Condi Rice and the US State Department to force Israel to "surrender" territory to the Palestinians that Israel currently possesses is bringing a curse upon her, the President that she represents, and the USA. Yahweh says the He will bless those who bless Israel, and He will curse those who curse Israel. In August 2005, I was interviewed on Revelation TV in London (along with John Manwell and Pete Byrne) about the forced Gaza Pull-out and its Scriptural and prophetic significance. Even back then I mentioned the sinful actions of Condi Rice, Vice President Cheney, and the need for God-honoring counsel to reach the ears of President Bush. I remain saddened at the errant advisors and advice that President Bush has entertained and incorporated into action. May President Bush begin to seek reliable prophetic counselors who will speak the truth and stop tickling his ears! To date the counsel has been poor and therefore the outcome has been poor. There is wisdom in seeking counsel, but one must seek wise and discerning counselors. We need wise, discerning, prophetic voices on Capitol Hill, who will speak the truth in love.

I have noted many times since the start of 2004 that we are in a season of "the eye of the needle of the hurricane". This season of difficulties will last at least until September 2007. So, we remain within a critical juncture in time.

Personally I have witnessed significant spiritual milestones of progress each decade of my life starting in 1977 (salvation by grace), 1987 (prophetic dreams commenced), and 1997 (embraced the prophetic calling). I expect another “new” season of increase to arrive during 2007, with heightened responsibilities and the power of the Holy Spirit to accomplish that which He desires. He intends to bless each of His children far above anything that they ask for or can comprehend. May this be true in 2007.

Washington, DC: I returned to the Pentagon for prayer. I also met with Senator Sam Brownback, just days following his announcement that he is a candidate for President of the USA. I have been speaking blessings over Senator Brownback as a voice of righteousness within the US Senate since 2001. May the Almighty continue to give him perseverance as a compass dial facing due North. May the Senator not deviate from his assigned course as a voice of righteousness.

Native American Apology Resolution: Senator Sam Brownback has reintroduced the Native American Apology Resolution as *SJ Res 4*, along with six co-sponsors. I have been involved as a “go between” intermediary with some Native American ministry leaders, and seeking an opportunity to bring some of them to Washington DC for a prayer gathering. The Creator is intent on restoring the lost voice of the First Nations Peoples. We intend to continue to advocate for them and to aide them as they regain their voice and influence.

China: I am leading a team of four men in Beijing, Guangzhou, and Kunming, China departing on March 20th and returning on April 2nd. This is my third trip to China with Path Clearer teams. We covet your prayers.

Chris Adkins in India: We have sponsored Chris Adkins to work as a volunteer for several months at the Mission India Theological Seminary in Nagpur (www.rimi.org). He is soon to enter graduate school in Library Science and is therefore working to help establish the new library on the Nagpur campus. He is also involved as a singer-songwriter in worship.

Prayer Requests, Future Events, News:

UK in June: On June 16-17th a transatlantic event is being planned to commemorate the bicentennial of abolition of slave trade by Parliament and led by Lord William Wilberforce. The PC team will be led by Brad Lindsey. The team will be stationed at The Well in Liverpool, and will also travel to London. If you are interested in participating contact Brad immediately.

Europe in August: We had planned to take a team to Germany and Poland in August. However, our hosts in both nations were unable to accommodate us. Therefore, the trip has been cancelled or at least postponed. However, Howard Morgan is planning on taking a team to Poland in late August, for those who might be interested.

Video equipment: If you would like to contribute toward the estimated cost of ~ \$8,000 for the purchase of professional-grade video equipment, your financial assistance would be welcome.

Panim-el-Panim: April 13-15th is the Kingdom Ministries International gathering of various ministries in Atlanta. (<http://www.hmmin.org>)
