“Influencing Millions by Communicating Judeo-Christian Truth”

A voice of one calling in the desert: “Prepare the way for the Lord; make straight in the wilderness a highway for our God. Every valley shall be raised up, every mountain and hill made low; the rough ground shall become level, the rugged places a plain. And the glory of the Lord will be revealed, and all mankind together will see it. For the mouth of the Lord has spoken.” A voice says, “Cry out.” (Isaiah 40:3-6)

I welcome you to the First Edition of the Path Clearer Newsletter, which is intended to provide periodic summaries of some of our key goals and highlights of ministries. You may share our newsletter(s) with Kingdom-minded friends, who might have interest in the ministries of Path Clearer (PC). Blessings to you – Tom Dooley, Founder

Book Contract with Destiny Image Publishers:

A contract was signed with Destiny Image Publishers for the book entitled “**PRAYING FAITH: I Live by Faith in the Son of God**” by T.P. Dooley. It is an honor to be selected as a new author by Destiny Image, as they are a first tier publisher of many recognized Judeo-Christian authors (e.g., Rick Joyner, TD Jakes, Chuck Pierce, Bill Hamon, Tommy Tenney, Dutch Sheets, Jim Goll, and Michael Evans). In addition, many written endorsements have been received from ministry leaders. We praise God for His favor demonstrated through this breakthrough! Hopefully it will be available for distribution in November.

Recent Highlights in Ministries:

Therefore I glory in Christ Jesus in my service to God. I will not venture to speak of anything except what Christ has accomplished through me in leading the Gentiles to obey God by what I have said and done by the power of signs and miracles, through the power of the Spirit. (Romans 15:17-19).

Eastern Europe: In the fall of 2003, Melvin Slotnick and Don Steward of “Friends of Romania” invited me on a trip to preach in the “bread basket” of Eastern Europe – Romania and Moldova. I enjoyed preaching in many venues, and encouraging these Eastern European Christians. We emphasized the balance between the logos (i.e., written Word of God) and rhema revelation into the various fellowship communities. We especially enjoyed meeting with the families of two influential leaders, Doru Cirdei and Nicu Grameș.

One set of intriguing highlights concerned several words that I mentioned while preaching in two churches in Tiraspol, Transdneister and Chisineau, Moldova. The words included “nuclear bombs / a radioactive man / and God’s desire to change the government”. Two weeks after the trip, CNN Headline News posted online stories stating that 3 x 12 nuclear dirty bombs that had been stolen from Tiraspol, and that the Russian government announced plans to change the government of Transdneister! And, immediately following preaching about the “radioactive man”, a man directly in front of me while sharing these words came forward to say that he had been involved in a nuclear plant in Russia, and was formerly in fact a radioactive man!

By divine appointment while in the Bucharest airport, I met a delightful Jewish businessman from California, “Mr. Z”. He and his Jewish banking businessman friend “Mr. M” from Romania subsequently visited with Melvin and me in Birmingham. We declared blessings over them in a local Jewish synagogue. They are men of integrity, who formerly lived in Israel. We encourage your prayers on their behalf.

I had the privilege of meeting Karen Wheaton for the first time last summer at a statewide meeting sponsored by Chuck Pierce (www.glory-of-zion.org) and the US Strategic Prayer Network. Karen has three wonderful ministries, including the RAMP center for youth ministry, the “Chosen” dance group, as well as her own singing, for which she is known on TV (www.karenwheaton.com). We have visited Hamilton, AL several times in support of their plans to minister in Romania in June. While in Hamilton I have shared what I sense the Holy Spirit desires for them concerning impacting Eastern Europe.

England: Upon our return from Eastern Europe, we ministered in Liverpool with our dear friends John Manwell at “The Well” and Paul Griffiths. We prayed at the Liverpool docks to confirm breaking the historic bondage of slave trading to the Southeastern USA through that key gateway city. For your information, I’ve been told that Alabama formerly had a slave-trading embassy in Liverpool. We also made declarations at Melvin Slotnick’s former college North of there. We noted plenty of occult witchcraft in the UK.

We enjoyed praying at the home and historic sites concerning **William Carey** in Kettering and Moulton, England. Carey is the “Father of Modern Missions”, having sailed from England two centuries ago for India, where he had a profound effect. We reconnected with new friends, Mr. & Mrs. Nic Small, whom I had met at Rick Joyner’s MorningStar Harvest Conference in North Carolina in the fall. Interestingly they recently were involved in hosting Brother Yun of China, a.k.a. “The Heavenly Man”. If you haven’t read biographies about either William Carey or The Heavenly Man, please do so.

Urbana Missions Conference: During the Christmas holidays my son Isaac and daughter Catherine and I attended the world’s largest missions conference in Urbana, Illinois. Attending were ca. 20,000 individuals, mostly college students affiliated with Interspersity Christian Fellowship. Paul Hughes with IVCF invited me to participate on an intercessors team. We were especially encouraged by the Native Americans who danced, sang, and spoke. In addition, I assisted Saji Lukos and colleagues from Reaching Indians Ministries International, RIMI (www.rimi.org).

Chuck Swindoll & Dallas Theological Seminary: The RIMI Board of Directors meeting was held in January at StoneBriar Community Church in North Dallas, Texas. This church has made a strategic decision to channel their annual world missions' funds to a single state within India in partnership with RIMI. I had the honor of praying a blessing over Chuck Swindoll prior to the Sunday service. I also conducted strategic prayer walking on the campus of Dallas Theological Seminary.

IHOP: In January I was grateful to be invited to speak at the International House of Prayer in Kansas City. Prior to this message I have not circulated a recording of any ministry event. So, if you would like to listen to a message (personal testimonies plus Deut. 17 & 18), please locate this link: www.pathclearer.com/recordings

Panim el Panim: In May many friends accompanied Isaac and me to attend the 3rd annual *Panim el Panim* (Hebrew for face-to-face) conference in Atlanta, hosted by Kingdom Ministries International led by Howard Morgan (www.howardmorganministries.com). He has become a dear friend and colleague over the past four years, and is a member of the PC Advisory Board. His insights and teachings into the Jewish Roots of our beliefs and the Kingdom of God are outstanding. I enjoyed ministering to many individuals at this weekend of worship and faith-stretching encounters. In addition, I recently assisted Howard at a Messianic Jewish-style Passover Seder in Atlanta hosted by Jennifer Scrivner.

Elections in India: On 12 May 2004 a wonderful development was announced that shocked the people of India! The leading BJP party had lost a general election that essentially everyone assumed they would win easily with the popular Prime Minister Vajpayee in control. In the fall of 2000 while in India God revealed to me in a unique set of circumstances to pray for and declare blessings over Sonia Gandhi of the Congress Party to "be elevated" and anointed as a future leader of the nation. Since then I have declared publicly and often to various audiences in India and elsewhere that it was God's desire to change the government of India, and that Sonia was to be raised up. This miracle has happened against all rational odds to the contrary. We praise God Almighty for this remarkable answer! Pray for Sonia to be shielded from harm and to be an effective door-opening leader of India.

Various Encounters: I was pleased on separate occasions to minister with or meet Bill Thomas and colleagues from Christian International (www.cibn.org); Dennis Arnold in concert (www.thevictoryhouse.com); Paul Keith Davis (www.whitedoveministries.org); Fred Shuttlesworth, a key leader of the Civil Rights movement in Alabama, and a close colleague of Martin Luther King, Jr.; Christian businessmen in Seattle; and the Consuls General of multiple nations, while serving as a chairman of a committee within the Birmingham International Festival.

Personal News:

My wife Laura and the entire family are doing well at present, having experienced relief after a difficult financial year in 2003. We are grateful to El Shaddai that my company IntegriDerm Inc. was acquired in February 2004 by MediQuest Therapeutics Inc. of Seattle. I’ve been traveling a lot for the acquiring firm on business almost every week. God continues to utilize marketplace “ministers”.
