

Influencing Nations with Truth

December 2019

A voice of one calling in the desert: "Prepare the way for the Lord; make straight in the wilderness a highway for our God. Every valley shall be raised up, every mountain and hill made low; the rough ground shall become level, the rugged places a plain. And the glory of the Lord will be revealed, and all mankind together will see it. For the mouth of the Lord has spoken." A voice says, "Cry out." (Isaiah 40:3-6)

2017 - 2019 HIGHLIGHTS:

Thomas Dooley Centre: On February 2, 2017 Thomas S. Dooley, the 24 year old son of Tom and Laura Dooley, died at the family home. Thomas' life and death have had a profound effect upon his family, friends, and extending into the Path Clearer community of relationships. One substantial result has been the establishment of the Thomas Dooley Centre for youth and leadership in Bathinda, Punjab in Northern India. He visited Bathinda in 2009. The Centre is owned and operated by Mission India (www.RIMI.org).

The three major goals of the Thomas Dooley Centre include:

- Young Adults (18+): Education and Leadership Development
- Youth (~ 12-18): Education and Spiritual Development
- Outreach to Drug Addicts

Pain Taught Me to LOVE: My fourth book has been published by Mall Publishing. This work contains numerous testimonies of my friends and me, who have encountered extreme adversities and have processed their pain well.

Lovelady Center: Shortly after Thomas' death at the request of Lestley Drake I started teaching and ministering one day per week at the Lovelady Center (www.LoveladyCenter.org) in Birmingham. This is among the largest faith-based recovery centers in the USA, and was founded by Brenda Spahn (below). We have 400 women in residential recovery. Thus far I have taught and ministered to over 1,000 women in recovery.
